Investec Champions Cup Semi Final
Leinster Rugby v Northampton Saints,
Croke Park Stadium
4th May 2024

After mesmerising Leinster crushed Stade Rochelais in the Investec Champions Cup quarter-final at a sold-out Aviva Stadium we will now travel across the river to Croke Park for a mouth watering clash against Northampton Saints in the Investec Champions Cup Semi Final.

This game in Croke Park will be the first time Leinster Rugby has played in the stadium since 2009 and promises to be a great occasion.
